ROCK GARDEN SEEDS

Fall, 1946

All the seeds offered in this list are fresh, gathered in 1946 from healthy plants grown at Mayfair Nurseries. Many of them have been tested and found to have a good percentage of germination. However, we DO NOT guarantee any results derived from sowing our seed.

Whether seeds are sown in pots, flats or out in the open, the soil should be light and porous. A thin top layer of very fine gravel on which the seeds are sown facilitates watering from the top without washing them away. This also lessens the danger of damping off and discourages the growth of algae and mosses. Those seeds that should be grown in an acid compost are marked with an asterisk *. To discourage slugs and other insect pests, a fine sprinkling of paradychlorobenzene powder may be used around and between the pots or between rows.

* * * * *

TERMS — Cash with order. Remittance may be made by check or Postal Money Order. All seeds will be sent postpaid, as soon as the order is received.

When ordering, please send a small list of substitutes, as the quantity of seeds of some species is small.

Achillea nana—6", white, June to August	\$.25
Allium senescens glaucum—8", pink, August to October50
Alyssum saxatile—8", yellow, May25
Alyssum saxatile citrinum—8", pale yellow, May25
Anemone caroliniana—12", white to blue, April50
Anemone pulsatilla—6", purple, April25
Anemone pulsatilla rubra—6", improved color form, April50
Anemone pulsatilla pink—6", pink, April50

* <i>Anemone sylvestris rosea</i> —8", deep pink, June to September50
* <i>Anemone ranunculoides</i> —5", yellow, April50
<i>Antirrhinum asarina</i> —3", yellow, June to September25
<i>Aquilegia akitensis</i> —6", yellow and blue, April50
<i>Aquilegia canadensis</i> —20", yellow and red, May to July25
<i>Aquilegia "Fairy"</i> —12", yellow and blue, May50
<i>Aquilegia flabellata nana</i> —12", white, May50
<i>Aquilegia pale pink</i> —12", pink, May25
<i>Aquilegia dwarf purple</i> —12", purple, May25
<i>Arabis lyrata</i> —10", white, April50
<i>Arenaria laricifolia</i> —2", white, May25
<i>Armeria caespitosa</i> —4", pink, Spring and Fall50
<i>Armeria 6 Hills Hybrid</i> —5", pink, Spring and Fall50
<i>Artimesia frigida "Silver Dome"</i> —10", silvery foliage50
* <i>Aster spectabilis</i> —8", blue, August25
<i>Astible chinensis pumila</i> —8", pink and lavender, July50
<i>Astilbe fanal</i> —18", red, July25
<i>Astilbe pale pink</i> —18", pink, July25
<i>Aubrietia large flowered mixed</i> —4", April50
* <i>Bruckenthalia spiculifolia</i> —8", rose, June75
<i>Begonia evansiana</i> —20", Hardy Begonia, pink, August—5 bulblets50
<i>Campanula carpatica</i> —8", blue, July25
<i>Campanula turbinata</i> —4", blue, July50
* <i>Cassiope lycopodioides</i> —4", white, August	\$1.00
<i>Cerastium alpinum lanatum</i> —2", white, May25
<i>Cerastium villosum</i> —1", white, April50
<i>Chionodoxa Luciliae</i> —8", blue, April50
<i>Corydalis lutea</i> —10", yellow, Everblooming25
<i>Coryphanta vivipara</i> —4", purple, June25
<i>Crocus tomasinianus</i> —3", pale blue, April50
* <i>Cunila mariana</i> —12", purple, September25
<i>Dianthus deltoides</i> —6", red, June25
<i>Dianthus deltoides mixed</i> —6", red and white, June25
<i>Dianthus caesius</i> —6", pink, May25
<i>Dianthus noeanus</i> —8", white, July25
<i>Dryas sundermanni</i> —4", white, June50
<i>Eriophyllum lanatum</i> —10", orange, July25
<i>Erysimum nivale</i> —10", yellow, June50
* <i>Frageria alpina</i> —5", everbearing, noncreeping strawberry	\$1.00
<i>Gentiana acaulis</i> —3", blue, May50
<i>Gentiana andrewsi</i> —8", blue, August25
<i>Gentiana purdomi</i> —6", blue, July and August50
* <i>Gentiana sikokiana</i> —4", blue, September and October50
<i>Geum Waight's brilliant</i> —4", orange, May50
<i>Geranium sanguineum</i> —8", crimson, Everblooming25
<i>Gypsophila repens rosea</i> —4", pink, everblooming25
<i>Heuchera sanguinea "Pluie de Feu"</i> —18", red, June25
<i>Houstonia coerulea</i> —3", blue, everblooming25
* <i>Hudsonia ericodes</i> —6", yellow, May50

*Hudsonia tomentosa—6", yellow, May50
Hypericum yakosinense—1", yellow, everblooming50
Iberis sempervirens—12", white, May25
*Iris prismatica—12", blue, June25
Jasione, perenis—6", blue, July50
Jeffersonia diphylla—12", white, April50
Lavendula munstead—8", lavender, June to August25
*Leiophyllum buxifolium—12", white, April50
*Liatris graminifolia nana—12", rose-lilac, August25
Lobelia cardinalis—15", vivid red, August25
Linaria alpina—6", blue, everblooming25
Muscari botryoides—6", blue, April25
Opuntia compressa—4", yellow, July25
Papaver nudicaule mixed—12", June25
Papaver rupifragum—18", orange, everblooming25
Penstemon hirsutus—20", purple, June25
Phlox pillosa mixed—12", May25
Polygonum capitatum—5", pink, September25
Potentilla tridentata—8", white, June50
Primula polyantha mixed—6", red, white and yellow25
*Rhexia virginica—12", pink, August25
*Rhododendron obtusum japonicum—8", pink, April50
*Sabatia lanciolata—18", white, August50
Scilla campanulata alba—12", white, April50
Scilla siberica—6", blue, April25
Scilla siberica alba—6", white, April50
Scilla senensis—8", rose-pink, August	\$1.00
Sedum sieboldi—6", pink, September25
Serratula shawii—8", lavender, September50
Silene maritima rosea—6", pink, August25
Silene schafta—4", pink, September25
Silene pennsylvanica—4", bright pink, May25
*Shortia galacifolia—4", white, April50
Tunica saxafraga—6", pink, August25
Veronica spicata nana—6", blue, May50
